

Phang Nga Bay & James Bond Island

James Bond Island, known originally and locally as Ko Tapu or Nail Island, found fame through the 1974 Bond film "The Man with the Golden Gun". The film starred Roger Moore and Christopher Lee (as the three nipped arch-villain Scaramanga) but it was the scenic topography that helped make the film into a firm Bond favorite.

Enjoy your day with us on a canoe and see picturesque scenery of Phang Nge Bay a treasure Preserved by nature. Our kind and with guides who have many years of experience and training in sea canoe & caving make your day. Tasty buffet lunch of Thai food on board and free snacks, fruits, soft drinks, drinking water, coffee and tea are another pleasure in Pang Nga Bay Tour, with us.
