

The Lady Kathryn was built by Sunbird Yachts in late 2008. Moreton Bay Co., Ltd purchased the Lady Kathryn in late 2011 and shortly thereafter underwent an extensive refurbishment to suit the hot tropical conditions.

She is near new, with modern electrics, video, sound system, internet, accessories and a vastly refined interior throughout. At 80 feet (23.88 meters) in length, Lady Kathryn boasts 4 bedrooms and extensive sun protected decks.

She is spacious and exceedingly comfortable for short or extended journeys. Lady Kathryn is the perfect hotel alternative for that special occasion, quick island getaway or corporate function.
